

# VACUUM PUMP SV 4 AND SV 2

## MAXIMUM POWER MINIMUM NOISE

Your office with high suction power

Illustrative image.

### VACUUM PUMP SV 4

#### ALL THE POWER OF SILENCE AND SUCTION

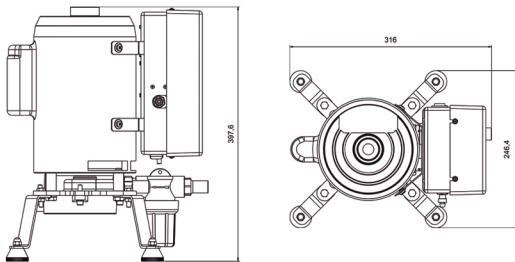

Its exclusive anti-noise system is highly efficient, allowing to operate in up to 4 offices simultaneously keeping its high performance, due to its strong and silent motor with thermal protection.

### VACUUM PUMP SV 2

#### PERFECT POWER FOR YOUR NEEDS

Same technology, but with adequate power for what you really need. The SV 2 has the same cutting-edge technology of the SV 4, but allowing to operate up to 2 offices simultaneously.
